The objective of the Elite Riders Programme: is to *encourage 'showing riders' to seek training to improve their own performance and knowledge.*

The programme - using P (UK) Accredited Trainers - is to provide a structured and progressive path for these riders to follow. Academy members have participated successfully abroad and nationally as a team and are encouraged to become involved in media training and life style development to continue to achieve the highest level of excellence possible.

Training Days and conferences are open to P (UK) Members and their Non Member friends.

Family and the Support teams of all riders are encouraged to be proactive in all training and debating sessions.

1. **Senior Programme** – open to **Riders** who have obtained their 18th birthday by 1st January in the current year or juniors who have obtained **RED STAR** Status may progress onto the Bronze training levels. The scheme is designed to identify and encourage all riders and especially those who may eventually but not necessarily, become P (UK) Trainers and Judges of the future. Each training session will be of no more than six riders. The more experienced riders will be divided from those who have less experience.
 - **Junior Programme** – a similar scheme is operated for younger members of the Association.
 - **Riders** must have obtained their 8th birthday by 1st January in the current year. All participants must be competent riders, able to walk, trot and canter safely in company, off the leading rein. The more experienced riders will be divided from those who have less experience.
 - All participants at **Appraisal days** where 'star status' will be determined will be required to be an **'A'** or **L/S Member or Riders Club Member of P (UK)**.
2. **The format of training days** - both junior and senior - will follow a similar pattern. Sessions of flat training and of WH training will take place on each of the training days. A group debating session will take place at each training day as a preparation for the appraisal days and is mandatory for all participants.
 - 2.2 The discussion session will take the form of a debate where all are expected to participate. Parents and helpers are welcome to attend, but will not be able to influence their riders!
3. **Appraisal days** organised by P (UK) will be held to assess participant's ability and knowledge, of both junior and senior members. Star Status will be awarded at that time. (See rear of leaflet).
 - 3.1 To participate in an Appraisal Day to obtain **Bronze Star** or above, **the candidate must have attended at least one Elite Rider Training Day within the last 3 years.**
 - 3.2 Participants must specify 'Flat' or 'WH' and Star Status already achieved (if appropriate) at time of application. Applicants may participate in both sections for a duplicate fee.
 - 3.3 The entry level to the scheme can be no higher than **Red Star**. To enter at any level between Red and Yellow Star requires justification at time of application. See Appraisal application form.
 - 3.4 Appraisal fees are as follows: Gold, Silver, Bronze £50 for each level.
Yellow, £10; Blue, £15; Red, £20.
 - 3.7 Those participants awarded Gold Star Status will be invited to officiate as a Ponies (UK) Ride Judge.
 - 3.8 Insurance: Appraisal days will be covered by suitable Insurance, but it is strongly recommended that all participants carry third party liability insurance. The Association does not accept any liability for any injury or damage sustained by any third party whatsoever
 - 3.9 All participants in the Elite Riders Appraisal Days will receive a badge of recognition and will be entered into the P (UK) Elite Riders Academy register.
- 4 Star status attainment levels will be parallel for both disciplines.
